EDUCATION

American University of Sharjah [2024 – 2028]
Bachelor of Science in Computer Science
Coursework in programming fundamentals, data structures, computer architecture, and software engineering.

GEMS [2022 – 2024]
High School Diploma, A levels
Studied mathematics, physics, and information technology.

EXPERIENCE

IT Support Intern [June 2025 – Aug 2025]
Nexora Systems, Dubai

- Assisted with hardware setup, account provisioning, and basic network troubleshooting.
- Documented recurring issues and resolutions.

Student Assistant [Sept 2024 – Dec 2024]
AUS Computer Science Department, Sharjah

- Supported lab sessions by helping students with setup and basic programming questions.

PROJECTS

Course Project — Software Engineering [2026]

- Team software project developed collaboratively over the semester.
- Documented recurring issues and resolutions to help build an internal support reference.

Personal Programming Projects [2025 - present]

- Built small applications in Python and Java to practise data structures and algorithms.

SKILLS

Languages: Python, C, C++, Java, JavaScript, SQL, ASM
Tools: Git, GitHub, VS Code, Linux, Eclipse
Other: problem-solving, fast learner, teamwork, efficient
Spoken: English, Arabic
